Athlete Profile

- Slalom is his strongest event.
- Says he has wanted to ski ever since he can remember, his Grandpa had a cottage and his dad had a boat, dad taught him how to ski.
- His greatest influence is his father, he taught him to ski, encouraged him to compete and has paid for everything.
- Believes the most important lesson he learned in previous seasons is just absorbing and enjoying the experience as a whole.
- His future goals include remaining on the national team, winning the worlds and setting a new world record.
- In his personal life, Thomas is focused on finishing university and finding a career that he really loves.
