### Athlete Profile:

- Mark's future plans for wakeboarding are to keep riding hard and push himself a little harder to be the best. He eventually wants to make a living at some kind of board sport.
- He wants to be on the wakeboarding team to become a better rider, to be coached well and to meet new people.
- One of the best feelings is riding away from a new completed trick you've been working on.
- Mark's nickname is "Sparky"
- If Mark could bring 3 things to an isolated island, they would be a boat, his brother (Craig McMorris) and his wakeboard.
- If Mark could have dinner with anyone in the world, it would be Usain Bolt.
